\*Proceeds will benefit the American Cancer Society and the B. Thomas Golisano Hope Lodge Hospitality House, which provides free lodging for cancer patients and their caregivers traveling to Rochester for treatment.

"You have cancer." – A phrase that has impacted the lives of millions. A diagnosis that has wreaked havoc on those we love and care about. Three words that your local American Cancer Society fights to erase on a daily basis.

Your American Cancer Society's mission is to save lives, celebrate lives, and lead the fight for a world without cancer - starting right here in your community. In addition to funding lifesaving research, we offer free programming and services for patients right here in Rochester including: Look Good Feel Better where cancer patients attend workshops to address appearance side effects of treatment and can also receive free wigs, Road to Recovery for transportation to and from appointments, a 24/7 hotline for any cancer-related needs, and so much more.

Our largest impact in the Rochester community is through our Hope Lodge. Hope Lodge provides a safe, supportive, home-like environment where cancer patients and their caregivers can stay free of charge when their best hope for a cure is receiving treatment in another city. Since opening in 2010, our local Hope Lodge has hosted in excess of 16,000 patients and caregivers.

Join us at Five Eat Five for a celebration of the Rochester food scene and Rochester's own American Cancer Society. An evening of impact, inspiration, and an incredibly good time featuring exclusive access to the hottest area restaurants and their amazing creations.

The Rochester community is fortunate to have some of the leading cancer care in the nation. You can help advance the fight. Please consider the enclosed partnership opportunities in support of the lifesaving work of your American Cancer Society.
